

# You are invited to free webinar ESG — is it worth it?

June 8, 2022  
2:30 pm

- What is ESG and who needs to implement it?
- Does ESG pay off for the company?
- What are the benefits of implementing an ESG strategy?
- Can ESG have an impact on obtaining funding?
- What is the EU Taxonomy and what does it apply to?

## Webinar program (CET Central European Time):

- 2:30 pm – ESG - what you need to know
- 2:50 pm – Benefits of ESG in practice
- 3:10 pm – Legal requirements for ESG implementation in Poland - now and in the future
- 3:30 pm – Q&A session

## Webinar in English

REGISTRATION

The webinar will be hosted by **Polish and American experts in ESG** implementation and legal regulations in this field. We will show how ESG can be implemented to a specific company and what economic and non-economic benefits results from it. An opportunity to ask questions about ESG will allow you to get answers to issues of interest to you.
